Dear Parents/Carers

As part of our commitment to providing the children with immersive and exciting learning opportunities Year 1 and 2 have been lucky enough to secure a visit from some horses and a school history specialist Sir Teachalot. The horses will be accompanied by their owners, who are dressed as knights and will provide the children with information on caring for the horses and the equipment that is used. Sir Teachalot will arrive in school with a variety of artifacts and activities to engage the children in training to be a knight. This will be an opportunity to bring history to life using artefacts, role play and storytelling.

These additional experiences will be taking place on the 9th (horses) and 23rd (Sir Teachalot) of November 2022.

We are asking for a voluntary contribution of £6.50 per child to allow us to go ahead with this .

Although all contributions are voluntary, the opportunity may not be able to take place without parental contributions. Should any parent experience financial difficulties then please do not hesitate to contact us in confidence.

Thank you for your continued support.

Kind regards,

Phase 3 Team
